Tribute to Martin Khor

Photo: Andrew Ng Yew Han

Global Policy Forum shares with deep sadness the news that Martin Khor (1951-2020), Third World Network's Chairman and former Director, passed away peacefully in the early hours of 1 April 2020 in his home in Penang, Malaysia. Global Policy Forum honors all the years of great cooperation with him. His death is a very sad loss, but his messages and ideas for a world in solidarity will live on forever. It will be the task of all of us to continue his work, which is more important in these days than ever before. Andrew Ng Yew Han has put a video together as tribute to Martin Khor.
