Recent News and Updates

It is with the deepest sorrow that we share the news that Martin Khor (1951-2020), TWN's Chairman and former Director, passed away peacefully in the early hours of 1 April 2020 in his home in Penang, Malaysia. He had lived with cancer since 2015 but worked even harder as the inspiring mentor, strategic and action-oriented thinker, indefatigable advocate and wonderful husband, father and grandfather.

We cannot even begin to reach out to all of Martin's friends and supporters who over decades, young and old, have marched with him to reject injustice and inequity among peoples especially of the South, and to defend nature again and again.

Let us all continue on the journey that Martin helped to chart. If you wish to remember Martin you are most welcome to send a message to twn@twnetwork.org
